We hereby inform you of the child(ren) enrolled in the 2026/2027 school year.

From Monday 23 March to Monday 1 June 2026, registrations for municipal school services for the next school year 2026/2027 are open, to be completed exclusively online through School.net

You can register for school canteen and transport services by connecting to the following address: www4.eticasoluzioni.com/loreoportalegen

Registration for the canteen and/or transportation service for new users who were not registered in the previous school year can be done by logging in via SPID or alternatively CIE (Electronic Identity Card).

Once registration has been completed, interested parents must upload the following documents to their personal Parents' Area/document area:

- the medical certificate for those requiring a special diet;
- ISEE certification to obtain a reduction on rates for transport and school canteen services (only for families with a CURRENT ISEE OF LESS THAN 10,632.94).

Current rates and a guide to using School net are available on the website: www.comune.loreo.ro.it

The Municipality's School Services office is available to answer any questions or assist parents experiencing difficulties using the School net system. Please call 0426-336821.
